

Dear Parent/Carers

This week has seen the return of Year 1 and Year 6 to school. Tomorrow we welcome Reception.

It has been lovely having the pupils back and they have adapted well to their new, if strange routines. This week we have provided a non-pressurised curriculum, gradually introducing some catch up work.

Thank you to all the Parents who have adhered to the staggered start and finish times. It is very important that pupils do not cross coloured bubbles in school. This is to ensure that a confirmed case can be carefully tracked and monitored.

Please remember school will be providing a lunch for all pupils attending school including pupils of key workers.

Reminder of start times for each bubble:

Spaces are now limited in each year group however please contact school and we may be able to accommodate you. Please do not just turn up with your child.

Over the next few weeks you will receive your child's school report, in the first instance via email. If you do not have a working email this will be posted to your home. It is important that you keep all contact details up to date.

We are hoping to receive an update from the Government this week regarding the opening of schools in September. As soon as we have a clear picture of what that will look like at Park Brow School we will be in touch. In the meantime the Local Authority would like to collate an idea of what your worries or concerns are moving forward. Could I ask that you complete the survey monkey attached to the text message sent out with this letter.

Can we also thank you for continuing to provide home learning for your child. Please contact school if you require any further home learning packs.

As we move towards the end of term (**17th July**), those parents in receipt of free school meals will continue to receive these over the Summer holidays. Can I please ask that you ensure your details are up to date so that you are able to download these either on your phone or through email. School will not be open for these to be printed out.

Kind Regards

Park Brow Staff.
