

## **REMOTE LEARNING AT PARK BROW SCHOOL**

We MUST work together to ensure our pupils are learning at home. We currently have on average 100 pupils registered for face to face support in school. Staff are teaching face to face as well as providing remote learning and we need your support at home.

If you have difficulty accessing technology, Internet or data use in your home then please contact school. We CAN support you with this. To date we have distributed 91 laptops to support home learning.

You should email [parkbrow@knowsley.gov.uk](mailto:parkbrow@knowsley.gov.uk)

In the meantime pupils who either have an Xbox or PlayStation at home can also use these to access Seesaw. Please see the link below:

### **Keeping in touch with pupils who aren't in school.**

If there is a concern around the level of engagement of a pupil, parents will be contacted via phone to access whether further support could assist with online learning.

Staff will keep a register of pupil engagement.
