

Headteachers Welcome

At our school we want the best for our children – your children! Our mission statement is: ‘Together we can make a difference.’

We believe in working together, in partnership with our families so that we can provide the happiest primary school experience for your child. We strive to develop lasting memories so that your child will say ‘my primary school years were the best!’

As teachers we take great pride in helping each child reach their greatest potential so that they leave school as well rounded individuals with ambition, self confidence and raised aspirations.

Park Brow is a happy school based on mutual respect. We have a wonderful team of staff who work selflessly, getting to know your child as an individual, ensuring that they are provided with the support and challenge they need – academically, socially or pastorally. We make learning fun, we encourage independence, we build lasting relationships and ensure your child is well cared for.

We hope our website offers you a brief insight into the life of Park Brow Primary School and a glimpse of our strong ethos and vision for all our children.

We truly are an inclusive school where Every Child Matters. Should you have any questions about our wonderful school, please do not hesitate to contact us.
