

Newsletter 24.5.24

What a week! This week has been full of enhancement opportunities for our pupils. A huge thank you to Miss Lindsey who planned the most wonderful activities for Diversity Week. You will see lots of photos of the workshops held within this newsletter.

Summer one has been busy for our Governing Body as the recruitment process for Head Teacher and Deputy Head Teacher have been in place. We are both delighted to have been appointed in the roles and very excited to take Park Brow from strength to strength. In summer two, we will be appointing a new Assistant Head Teacher and a new SENCO – we will keep our school community up to date with this.

We hope you have a restful break. **School returns on Wednesday 5th June 2024.**

Miss Swinburn & Miss Connell

## Knowsley Safari Park

Year 1 visited Knowsley Safari Park and what a day it was! From scurrying meerkats to sleeping lions, the children had the opportunity to get up close to a variety of amazing animals throughout the day both on the foot safari and later in the afternoon on the drive through safari. We learnt so many interesting facts. Did you know that giraffe poo is the size of a Malteser?! We had a lovely rainforest story session with Anne, who told us all about Oscar the orang-utan and his friends. It was the perfect enhancement to the work we have been doing on carnivores, herbivores and omnivores in Science.

But the highlight of the day had to be the sea lion show; Roger and Arthur put on an amazing performance! The children and staff had a wonderful day.

# Diversity Week

What a wonderful week! Miss Lindsey has spent lots of time preparing for this week to ensure that it was a success, and what a great success it was!

Throughout the week, the pupils were invited to attend workshops that celebrated Indian Dancing and African Drumming. There were also opportunities to taste foods from other cultures.

In classrooms, lots of workshops were held focussing on the different cultures of our school community, including learning basic phrases from different languages and creating Henna designs. On Friday pupils were invited in to school wearing clothes that represented their culture. This was a wonderful opportunity for children to proudly embrace their culture.

A huge thank you to Kemola Restaurant and Lounge for supplying year 2 with their own pot of delicious Jollof Rice, and to Primary Workshops for Schools for the fantastic drumming and dancing sessions.

## Magic Breakfast

During summer term, we introduced Magic Breakfast. Magic Breakfast is a scheme that schools across the country are using to ensure all pupils start their day with a filling breakfast. Having breakfast at school makes a big impact across a child's education. It's not just a great start to the day but has been proven to positively impact educational attainment, concentration, focus and behaviour of all pupils in the classroom. If you require any further information about Magic Breakfast, please get in touch with the school office.

fuel for learning

## Sports Competitions

Our Year 5/6 Cricket team took part in the Knowsley Sports Partnership Competition at Prescot & Odyssey CC. Lots of runs were made with our excellent batting and some wickets fell from our brilliant bowlers.

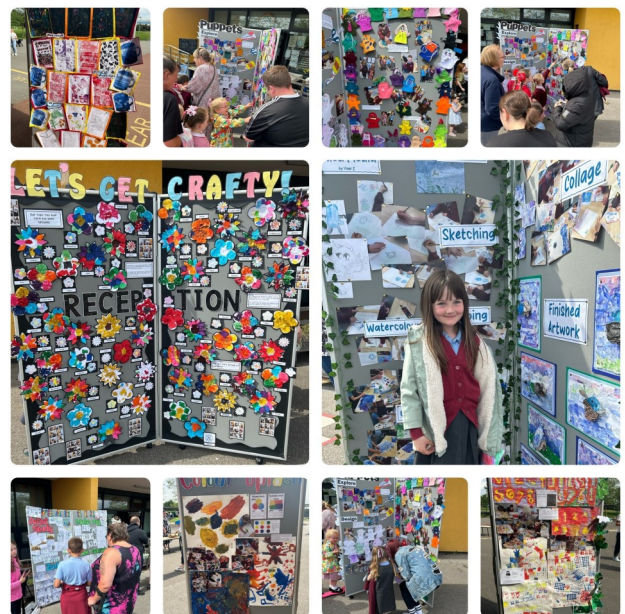

After coming 2nd in the Kirkby girls league, our girls football team took part in the Knowsley finals. We scored lots of fantastic goals. Narrowly losing out in the quarter finals. Well done girls.

## Art & DT Exhibition

On Tuesday we hosted our first Art & DT Exhibition. The exhibition showcased work from all year groups including our two-year-old Star Fish Centre. It was great to see the design boards that staff had put together to show the process that children followed to create their final masterpiece. Thank you to all of the parents/carers that came along and celebrated the pupils' wonderful work. It was a superb event with the sunshine as an added bonus. We are already looking forward to hosting our next exhibition.

Head over to our [instagram page](#) to see the full reel of the event.

## Project Playground

Thank you so much for all of your donations during summer 1. Our playground is a priority area for us for the up and coming months. We are hoping to make the space more exciting for our pupils. Year 6 have created some designs for us to use as an inspiration during their DT lessons.
