

Newsletter Friday 4th April 2025

As we draw to a close on another successful term, I wanted to take a moment to celebrate all the experiences and achievements we've shared this term. This term has been a busy one, filled with memorable events and activities that have enriched school life. Highlights this term have included Class Assemblies, Trips to Chester to learn more about the Romans and also a trip to the Zoo. Swimming Lessons have continued and the progress and confidence our pupils have shown in their swimming skills have been remarkable. Our Rock Steady Concert was brilliant : It was inspiring to see our budding Rock stars perform with such enthusiasm and confidence.

Thank you for your continued support and involvement in making this term a success. This includes the daily activities of reading with your child at home and completing homework when requested, but also in attending our coffee mornings, craft afternoons and weekly Reception reading events.

I hope that the half term is enjoyable and restful for you all

Miss Swinburn

Easter Events

Thank you to all of our year 1 and 2 parents and carers who attended our Easter Craft workshops. The workshops were very well attended and great fun for the pupils.

On Friday we hosted our Easter bonnet parade and competition — we were delighted with the efforts that everyone had put into their bonnet and the amount of pupils that entered. The parade was great fun for the whole school—everyone had a dance and cheered for their peers as they walked the parade.

Well done to all who took part in the Easter bonnet parade and competition—we absolutely loved seeing your wonderful, unique creations.

Following our Easter bonnet parade, a winner from each key stage was awarded a prize for their bonnet. We were delighted to see so many Easter bonnets in school today—thank you so much for the time and effort that has gone into making them.

Year 2 Chester Zoo

This week year 2 visited Chester Zoo to enhance their learning from their Science topic this term. The children absolutely loved seeing the different animals and learning all about them. Well done year 2—you were a credit to Park Brow when out on your trip

Kirkby Planters

On Tuesday, some pupils from year 1 and 2 went to Kirkby Town Centre to do freshen up the Park Brow planter with some new flowers. The children were a credit to the school and represented Park Brow wonderfully well showing great team work and kindness. You can see our school planter in the town centre near Superdrug.

Winners!

Thank you to all of our families who have contributed to purchasing a raffle ticket for our raffles and competitions this week! Winners were announced on Friday and all prizes were taken home by their winners to enjoy over the half term.

Well done to our Easter Bonnet winners—what a wonderful effort!

Year 3 DT

Year 3 have been busy learning about seasonal foods this half term. They spent a day this week preparing their veg by chopping and cutting, before making their seasonal tart. The pupils loved making their products and particularly loved tasting them once they were cooked.
