24TH OCTOBER 2025

Dear parents/carers, What a great way to end the term! On Friday, the children enjoyed a whole school parade to start the holidays with some fun. Thank you for your enthusiasm and efforts with the wonderful costumes - everyone looked amazing!

In the coming weeks you will receive information about our Parent Review Day which will be held on Thursday 13th November. This will be a great opportunity to discuss your child's progress since September with their class teacher.

Have a wonderful half term break - relax and enjoy some quality time together.

## Halloween Fundraising

We are delighted to share that, thanks to your incredible support and generosity, we've raised £128.52 through our recent raffle, Build-a-Bear event, and Scarecrow Competition!

Dexter, our Head Boy, has been working hard to begin his fundraising campaign for some new goal posts for the yard. On Thursday, the Head Boy and our Deputies met with governors for an official introduction. Dexter shared his fundraising ideas and was thrilled to receive some donations from the board of governors to add to the amount above.

All money raised will go towards the continued fundraising for new goals for the yard.

## Key Dates for term

Review Day - 13<sup>th</sup> November 2pm-6pm. The school day ends at 1:45pm on this day.

Rock Steady concert - 5<sup>th</sup> December 10am

Christmas Market - Thursday 4<sup>th</sup> December 3:30pm - 5:30pm

EYFS Nativity - Monday 8<sup>th</sup> December (times to be confirmed)

KS1 Christmas Concert - Wednesday 10<sup>th</sup> December (times to be confirmed)

KS2 Christmas Concert - Thursday 11<sup>th</sup> December (times to be confirmed)

## Into University

Last week, our 6H pupils took part in an inspiring programme with IntoUniversity, diving into the fascinating world of anthropology. From exploring human cultures and societies to hands-on activities that brought the subject to life, they embraced every moment with curiosity and enthusiasm. A highlight of the week was their visit to the museum, where artefacts and exhibits sparked discussions and a deeper understanding for the pupils. On the last day of the week, 6H visited the University of Liverpool's campus for a tour, and then a graduation ceremony, complete with cap and gown. This opportunity has really raised the children's aspirations and has given them an insight as to what life at university would be like. We look forward to seeing what their futures hold.

## Secondary applications

Year 6 parents/carers, please note the following: Knowsley residents can now apply for a year 7 place in secondary school. The national closing date for secondary school applications is 31 October 2025. National offer day is 2nd March 2026, this is when you will find out the school place offered.

Visit Knowsley Council website for further details.

## Scarecrow Competition

Thank you for your incredible support and enthusiasm during our scarecrow project. Your time, creativity, and teamwork with your child/ren made some wonderful, unique scarecrows. The children across the school have loved seeing the scarecrows in the school garden, and it has been lovely to see the community spirit that brought it all together.

Thank you once again for helping make this a memorable and fun experience for a second year running.

## A message from our Deputy Head Boy & Girl

Hello, we are Park Brow's Deputy Head Boy & Girl, Alfie & Amelia, and we are excited to be telling you about our roles and responsibilities. We enjoy setting up assemblies each week, collecting trophies and certificates. This week we met with the governors and found out about their jobs and roles in school. We are looking forward to helping plan and organise the Christmas Markets at school, theme fancy dress days and review day.  
Have a good half term!
