

**Park Brow
Primary School**

Happy - Respect - Pride - Caring - Potential

26.9.25

Dear parent/carers,

Thank you for your continued support and patience as we adapt our security measures. As you will be aware, the pedestrian gate and delivery gates are now locked during the school day. For anyone needing to access the school during the school day, please contact the school office to make an appointment.

Last week it was lovely to see so many year 6 children delivering their speeches to the school. Miss Holden and Mrs Kelly have all votes ready to be counted in preparation for the result announcements today.

MacMillan Coffee Mornings

Wow, what a turn out we had at our coffee mornings last week! We can not thank you enough for your contributions and support. Both coffee mornings were well attended, and raised lots of money for MacMillan Cancer support. It was lovely to see the children enjoying a cake with their families in such a lovely, positive atmosphere.

Head Boy and Head Girl Campaign

Our Head Boy and Head Girl campaign has been in full swing over the past week. All candidates delivered their speeches to the rest of school during the course of week, and all pupils and staff have voted. Today, the Head Boy and Head Girl results will be announced in classes and then celebrated in Wednesday's Head Teacher assembly.

Well done to all year 6 pupils who participated in the campaign. pupils shown great confidence and bravery when delivering their speeches.

In the coming weeks, we will be forming our school council for this academic year. School council nominations will take place within year groups, and pupils will all have the opportunity to share their interest of the role.

Once the school council is formed, the group will meet regularly to discuss school improvement planning, support programs and be an active voice for their peers.

Goodbye Mrs Williams

Last week, we have said goodbye to Mrs Williams who has retired after nearly 30 years of working in our school office. On Wednesday the whole school came together for an assembly where pupils and staff shared memories and read personalised poems about her - there were lots of tears, both happy and sad!

We wish Mrs Williams the very best of luck as she enters a new chapter of life.

Thank you for everything, Mrs Williams - we will miss you very much!!

Sports Clubs

It is wonderful to see so many afterschool clubs for sporting events happening in school. Last week, some of our UKS2 footballers attended a match at All Saints.

The team represented the school showcasing respect and determination - they were a credit to their families and our school.

We have a variety of clubs led by Unite Sports and Leisure (Coach Bobby) that you can book children on to. Please contact the school office for further information on this, or visit the school website afterschool club page: <https://parkbrowprimary.co.uk/breakfast-after-school-clubs/>

Next week, we are really excited to have Paralympic, Maddie Thompson, coming into school to host a KS2 assembly, and deliver some workshops with year 4 and 5.

School Photographs

On Monday 6th October, all children will have their photographs taken. Photographs with siblings will also be taken on this day. If you have any questions regarding photo day, please contact the school office.
