

Mapping Jigsaw RE to the Wirral Agreed Syllabus 2019

Jigsaw RE, the enquiry approach to Religious Education.

This mapping document is designed to show how Jigsaw RE could help schools deliver their locally agreed syllabus. **It is never the intention to replace the syllabus and we recognise how important the local syllabus is. Whilst the mapping document will show how links are made schools will need to look at their own context and adapt where necessary.**

What is Jigsaw RE?

Jigsaw RE is a comprehensive Scheme of Learning for Religious Education for the primary school, ages 3-12.

Written by RE specialist teachers in the Jigsaw Team and trialled by 100 schools, the weekly lesson plans with all the resources needed to deliver them, and integral assessment process make **Jigsaw RE the first of its kind and the vehicle to transform statutory RE in the primary school.**

It adopts an enquiry-based Worldviews approach to teaching and learning with much flexibility and choice of which religion/worldview to include alongside recommended teaching approaches in line with current recommendations.

This means Jigsaw RE is compatible with, and a huge help to implementing locally agreed syllabi across the UK. Our complimentary mapping documents transparently share how we see Jigsaw RE supporting each agreed syllabus and identify any further planning required if necessary.

Jigsaw RE is also a portal model which means everything is available online – with resources and assessments which can be downloaded if needed. This also means the programme can be refreshed and updated without affecting the user. **Built into each lesson plan/preview is the ability to add extra slides – this will help schools add some material not directly covered in Jigsaw RE to help fulfil the local syllabus if needed.**

EYFS (Early Years Foundation Stage) have 6 enquiries in each year group (ages 3-4 and 4-5). These introduce a range of religions within enquiries such as 'What makes people special?' (4-5) or 'What makes places special to me and others?'. (3-4)

Each of the 3 age-phases spanning Key Stages 1 and 2 (ages 5-11/12) has enquiries on all of the following worldviews:

- Baha'i
- Buddhism
- Christianity, which includes enquiries for **every year group.**
- Ethical Veganism
- Humanism
- Islam
- Judaism
- Sanatana Dharma (formerly referred to as Hinduism)
- Sikhi (formerly referred to as Sikhism)

The mapping document that follows compares:

1. the pedagogies (teaching approaches)
2. the 'which religion/belief system when?' requirements
3. the subject knowledge content and
4. the assessment process.

1. The pedagogies (teaching approaches)

Jigsaw RE is an enquiry-based approach to Religion and Worldviews Education, a different enquiry for every half-term (6 per year) focusing on one religion at a time.

The aim is to deepen children's critical thinking skills through greater subject knowledge and also to allow their own spiritual development.

Each enquiry has a big enquiry question e.g. What is the best way for a Sikh to show commitment to God? and this is explored with a **4-step process**:

Engagement (How can I make connections between my world and the world of religion?)

Investigation (What do I need to learn about the religion in order to answer the big question)

Evaluation (How well can I apply this knowledge to the big question using critical thinking/evaluation skills?)

Expression (Can I express what difference this enquiry has made to me, my thinking and my starting point?)

2. Which religions when in the Wirral Agreed Syllabus 2019?

The Wirral syllabus stipulates the following coverage.

During Reception pupils follow the expected Early Learning Goals within personal and social development and knowledge and understanding of the world.

During Key Stage 1 Pupils study Christianity and at least one other religion from Hinduism, Islam and Judaism

During Key Stage 2 Pupils study Christianity and a selection of information about other religions namely Buddhism, Hinduism, Islam, Judaism and Sikhism. Some Humanism content should also be studied. The overall the choice being left to the school.

3. Subject Knowledge content

The overview grid at the end of this document shows a list of enquiries and core content for each of the religions and worldviews mentioned earlier. This mapping document will hopefully show how some of the Jigsaw RE enquiries would enable schools to fulfil many of the requirements of the local syllabus.

The Wirral syllabus is structured around themes in all key stages, many of these link to the Big Ideas project written by Barbara Wintersgill.

The Wirral syllabus states that during Reception pupils follow the expected Early Learning Goals within personal and social development and knowledge and understanding of the world.

During the Foundation Stage Jigsaw RE covers aspects of RE through big questions which focus on areas like special people, places, times and stories – this is consistent with the Wirral syllabus.

Jigsaw RE has full enquiries for early Years foundation Stage (EYFS) 1 and 2 The enquiries are listed below in age range and with a summary of content.

EYFS1 – Ages 3-4	Theme/ Content

Special places	Synagogue including clothes that might be worn there, mosque and church

Key Stage 1

At Key Stage 1, the Wirral syllabus specifies that children learn about Christianity and one other main faith, Hinduism, Islam or Judaism being given as the choices.

Jigsaw RE offers the choice of nine religions and worldviews in Key Stage 1 so offers Wirral schools the opportunity to cover the recommended religions.

The Wirral syllabus includes some programmes of study and suggested content. While schools are free to develop their own schemes of work these programmes will point teachers in the direction of certain content.

The Wirral syllabus content in Key Stage 1 is covered through the following themes.

- Making Sense of Life’s experiences
- Words and Beyond
- Continuity, change and Diversity.
- The Big Picture
- A Good Life

- Influence, Community, Culture and Power

The tables below show how some of the Jigsaw RE enquires could help Wirral schools cover their agreed syllabus.

Jigsaw RE provides material covering content for nine principal religions and worldviews up to the end of Key Stage 2. As this includes all of the religions and worldviews recommended in the syllabus, Wirral schools would have access to much of the content they need in Jigsaw RE to help fulfil the syllabus requirements.

4. The assessment process

Assessment process in the syllabus

The Wirral Agreed Syllabus for Religious Education and Worldviews (2019) does not take a prescriptive stance regarding assessment, as it is considered essential that assessment in Religious Education must be in line with each school's in-house assessment policy. Some schools are using target trackers, others use progression statements both of these are acceptable under the syllabus as long as progression is measured.

The syllabus also states that knowledge, skills and understanding identify the key aspects of learning in Religious Education. These are described as 'learning about religion' and 'learning from religion'. These two strands are incorporated into the single attainment target in the Wirral Agreed Syllabus for Religious Education 'Learning about religion in order to learn from religion'.

Assessment in Jigsaw RE

Assessment is a major contributor in evidencing the impact of high-quality teaching and learning, and this needs to be tracked to ensure that pupils are building on their skills and knowledge over time.

Because each enquiry has its own stand-alone assessment activity, criteria and descriptors, assessment should be straightforward for teachers and can follow exactly that provided by Jigsaw RE. The adaptive teaching using support or challenge that should be provided for the children to allow all learners to achieve within the enquiry and the assessment activity, should be decided upon by the individual teachers using their knowledge of their children. To aid in summarising where children should be at the end of the 5-7, 7-9- and 9-11-years age range, Jigsaw RE provides a helpful table which teachers can use to assess the overall achievement and progress of their children. We cannot do this for specific worldviews as every school may choose their own combinations in each year group. Some schools have found taking the specific knowledge from the Knowledge Organisers relevant to their chosen enquiries has enabled them to build a ladder of progression for their children both for their overall journey within the school and for each individual religion.

Jigsaw RE contains **3 age-related expectation descriptors for each enquiry**. These expectations (working AT, TOWARDS and BEYOND) give guidance for assessing each of the 3 aspects of learning involved and made explicit in Jigsaw RE. Schools can, of course, use the language of their choice to describe these expectations (e.g., working towards, ARE, greater depth) in order to ensure RE is in line with the school's system.

The 3 aspects of learning are colour-coded:

Green: Personal resonance with or reflection on the concept/belief underlying the subject matter of the enquiry. The child's own thoughts, opinions, belief, empathy. (**Personal development**)

Blue: Knowledge and understanding of the subject matter of that enquiry (**substantive/ subject knowledge**)

Red: Skills of evaluation, research, critical thinking in relation to the enquiry question (**disciplinary knowledge**)

This colour coding runs through the learning objectives in the planning and in any activity sheets so the teacher can see which activity is focused on which aspect of learning and follow this through in the expectation descriptors (Working TOWARDS, Working AT and Working BEYOND) and in the exemplification. This will make it easier to link teaching with learning outcomes.

Support for Jigsaw RE schools in the Wirral

We offer the website <https://jigsawpshe.online/materials/jigsaw-re/> to Jigsaw RE users as an ongoing hub of support. People are welcome to contribute. Termly newsletters, fresh articles and additional resources are added regularly. Alerts are sent out via email.

We offer ongoing support to schools using Jigsaw RE by:

- Offering each school a mentor, always on hand to answer any questions and offer support and advice
- Giving password-protected access to the Jigsaw RE Community Area on the website
- Regular newsletters including updates and more teaching/learning ideas
- Access to our free online webinar training programme

We hope this mapping document helps you see how Jigsaw RE could help schools deliver aspects of the locally agreed syllabus. For further detail please contact schoolsupport@jigsaweducationgroup.com
