5TH DECEMBER

School has certainly felt festive during this last week. Thank you for your generosity at the Winter Markets that we hosted on Thursday. We hope that you enjoyed it just as much as we did! Over the next couple of weeks, there are performances to attend and themed days for the children to enjoy. Please do follow our 'Photography during performances' policy when attending any of our Christmas performances.

On Friday we had our first Big Breakfast Bash, and the pupils were so excited to find out who won. 6K were the worthy winners this week and what a great morning they had! Remember that every day your child's class gets 100% attendance, they are entered into the draw.

Thanks you for your continued support.

**CHRISTMAS**  
**MARKET**

FESTIVE CRAFTS HANDMADE BY THE CHILDREN  
FOOD AND DRINKS  
ENTERTAINMENT  
TRADITIONAL FAIR GAMES  
SANTA'S GROTTO

4th December, 3:30-5:30pm.

## Christmas Enterprize

The pupils thoroughly enjoyed creating their own stalls and items to sell at our Winter Markets. Each class followed a process to decide on their product, looked at costing and used a design specification in order to create their Christmas items. From K-Pop Demon Hunter bath salts, to hot chocolate stirrers, I am sure you will agree the pupils ideas really did come to life and were quality creations.

It was clear that the pupils were extremely proud of their creations and were delighted when purchasing them with their family members.

## Key Dates for term

Tuesday 9<sup>th</sup> December - EYFS Nativity AM nursery and RT at 9:30am  
EYFS Nativity PM nursery and RMC at 2pm

Wednesday 17th December Christmas Dinner Day - Pupils can wear their Christmas jumper with their uniform on this day if they wish to.  
Class parties PM

Friday 19th December School closes for half term at 3:20pm.

## Chester Zoo

After completing their exciting classroom workshops, pupils took their learning out into the wild! A trip to Chester Zoo gave KS1 and KS2 children the chance to see incredible animals up close, from cheeky monkeys to majestic elephants. They connected their workshop knowledge with real-life encounters, which deepened their understanding of habitats, conservation, and the amazing diversity of our planet.

Years 1 - 6 thoroughly enjoyed their days out at Chester Zoo. Visiting the Batcave was a firm favourite, as was the monkey enclosure.

We feel privileged to have been invited to take part in such a wonderful programme with Chester Zoo, and to have been able to give all of our pupils the opportunity to visit the zoo.

## Rocksteady

After weeks of enthusiasm, creativity, and teamwork, the pupils ended their RockSteady band journey with a fantastic end-of-term concert. From the first chord to the final applause, the performance was filled with confidence, joy, and the unmistakable buzz of young musicians sharing their passion. Parents and carers were treated to a showcase of talent, highlighting just how much progress the pupils have made during autumn term. The concert was superb and we are incredibly proud of the RockSteady bands! We are looking forward to year 3 starting their RockSteady journey in spring term.

## Kirkby Crusade

As always, Park Brow never fails to support community events and initiatives. On Friday, we collected over 250 selection boxes for the Kirkby Christmas Crusade. We were lucky enough to have the Crusade visit our school, with their Christmas Elf. This visit really did excite the children and add some extra magic to our Friday afternoon.

Thank you for your continued generosity - it really is appreciated. The selection boxes, and the Crusade event will spread plenty of Christmas spirit across the community of Kirkby.

Please see the attached flyer for the dates and routes of the Crusade.

## School Council

Our School Council have been working incredibly hard to develop exciting new plans for the African Hut area of the yard, after it was recently taken down. They have been gathering ideas from their classmates, discussing how the space can be improved, and beginning to shape a vision for a new, engaging area that all pupils can enjoy. We look forward to sharing more details as their plans continue to grow!

A HUGE thank you to Dexter, Amelia, Alfie and Amelia for helping facilitate our Parent Review Day. They were extremely helpful showing parents to the correct classrooms and collating feedback! What superstars they are!
