Happy - Respect - Pride - Caring - Potential

Newsletter

19th December

Dear Parents and Carers,

As we come to the end of another busy and rewarding term, I wanted to take a moment to say a very heartfelt thank you for your continued support. Your engagement with school life this term, from day to day routines to the many activities and events we have shared, really does make a difference and is genuinely appreciated by us all.

I would like to say a particular thank you for the support you have shown during the Christmas period. From performances and events to festive fundraising and celebrations, your enthusiasm has helped make this a very special time for the children. And it is fair to say that the Christmas jumpers have certainly earned their keep this year. They have been worn with great pride and enthusiasm across the school.

The children themselves have been an absolute credit to you. This term we have placed a strong focus on kindness, good manners and consideration for others, and we are really seeing the impact of this in classrooms, around school and on the playground. The way the children speak to one another, to staff and to visitors reflects the values we are working hard to nurture together. Park Brow is truly a happy place to be.

As the term draws to a close, I hope you are able to enjoy a peaceful and restful break with family and friends. Thank you once again for your ongoing support and partnership. We look forward to welcoming everyone back to school on Tuesday 6th January, ready for the year ahead.

With very best wishes for a happy Christmas and a healthy New Year
Park Brow Staff Team

Cadbury's World

Year 4 travelled to Cadbury's world to introduce their new History topic of the Ancient Maya. They learned all about how they used chocolate as a form of money and how it was made. The pupils also watched a 4D movie and went on a ride to collect all of the ingredients used to make chocolate. The children also took part in a Maya workshop where they dressed up in typical Mayan clothes and tried out a Maya ball game. It was a fantastic day and the children really enjoyed every bit of it, especially the free chocolate that they got on the way around.

Festive Activities

This month has seen the school community fully embrace the festive season through a wide range of events and activities. Pupils enjoyed a traditional Christmas dinner together in the hall, and enjoyed some dancing with staff around the hall. Our Christmas Market provided an excellent opportunity for pupils to showcase their enterprise skills, with a variety of stalls and products on display. The Santa Dash brought energy and enthusiasm to the school grounds, while our nativities and seasonal performances offered families the chance to celebrate pupils' hard work and talent. It has been a highly successful and enjoyable month for all involved, and we can't thank our parents, carers and families enough for your ongoing support and attendance at our events. This year has seen our highest attending events including coffee mornings, craft workshops and class assemblies - thank you!
