

Newletter

1ST MAY 2026

Good afternoon,

We have had another jam-packed week here in school. You will have seen on our Instagram that we are working hard on enhancing our already amazing environment. Staff are giving up their time at the weekends to paint our building giving it a full refresh across the school. Mr Wilson has now begun the redevelopment of the raised beds in our school garden area and we have been hard at work at lunch times planting out shrubs and bushes.

Read on for the plans that are afoot for our Nursery. This is a fantastic development for our school and coincides with our extended offer for flexible wraparound from Nursery and Reception children from 7.30 - 5.30pm. Please contact our office who will be more than happy to help you to sign up.

We had a visit from our Local authority officer this week who was delighted with all the work that we are doing particularly around improving attendance. She had a tour around the school and the children did us proud.

I hope that you are enjoying the long weekend, and I look forward to seeing everyone on Tuesday.

MISS Swinburn

Attendance Winners!

Well done to 3L for winning the Breakfast Bash today, whilst 2F were the ice cream winners. The pupils thoroughly enjoyed their rewards - what a lovely treat!

Attendance is extremely important and we are very grateful for the support that families are showing to ensure that pupils are in school and accessing their classroom activities.

Exciting Nursery News

We are really excited to announce that over the summer term, we are revamping our nursery setting with new resources and furniture. As you will know, Mrs Burke is a long standing EYFS staff member at Park Brow, supporting across the phase for a number of years. We are delighted to inform you that as of September, Mrs Burke will be our new nursery teacher.

Mrs Burke has spent this academic year training and is due to gain her qualified teacher status, and will begin her teaching journey with us in September. Congratulations Mrs Burke!

Phonics Workshop - Year 1

This week, Mrs Cowin hosted a year 1 phonics workshop outlining the Phonics screening test and further activities that can be used at home to promote phonics and early reading. Thank you to everyone who attended this workshop. We are thrilled to see so many of our families continuing to engage with our activities and workshops.

An Outdoor Paradise

We know that what we offer here at Park Brow is a totally unique setting with so much space. Once the children step into the grounds it feels a million miles away from the hustle and bustle of the main roads and town. It's that lovely time of year as Summer approaches our school really comes into it's own. Our huge grounds allow your children the genuine freedom to roam and explore during their break and lunch times and our dedicated trail, gym and garden areas provide something for everyone to enjoy. In addition to our gigantic field which includes football goals allows the children to enjoy full games of football, rounders, golf and simply to enjoy a walk.

Forest School

Once our garden area is completed Mr Wilson is moving on to our new chill out area where our African hut once stood. The centre piece for this will be a fire pit where we look forward to our children enjoying an authentic campfire and smores experience as part of our developing forest school area. Mrs Forsyth will be starting her forest school training over the coming weeks.

Key Dates

- Tuesday 5th -Thursday 7th May - Year 3 swimming
- Monday 11th - Thursday 14th May - Year 3 swimming
- Monday 11th May- Thursday 14th May - Year 6 SATs.
