3RD JULY 2026

As we head towards the summer break, Park Brow continues to be a hive of energy, enthusiasm and, most importantly, excellent learning.

This week, our Sports Days were a huge success, with a fantastic twist! The Colour Run brought plenty of smiles (and very colourful children!), while the Race of the Animal Inflatables saw staff throwing themselves into the fun as they raced against one another. Special mention to Mr Grant who no matter what the outfit, he whizzed past all the others. Thank you to Mr Myers for organising such a memorable event – it was brilliantly planned and thoroughly enjoyed by pupils, staff and families.

Well done to the group who visited KHS this week, they received recognition certificates in assembly this week - We are incredibly proud of the way that they represented our school.

Although the summer term is packed with exciting events, our focus remains firmly on providing excellent learning opportunities for your children. The work that is done over the final few weeks goes such a long way to supporting strong transition to the next class. It has been wonderful to see the progress pupils have made in their recent summer assessments, reflecting their hard work this year.

Attendance continues to play a vital role in this success. Every day in school really does make a difference, and we were delighted to finish the week with fantastic attendance across the school. A special mention goes to RT, who achieved almost 100% attendance throughout the entire week—what an achievement! It was ice creams all round for them this afternoon.

Thank you to all of our families for supporting regular attendance and helping every child make the most of every learning opportunity. The impact of good and improved attendance is clear to see in the children's outcomes and in their confidence.

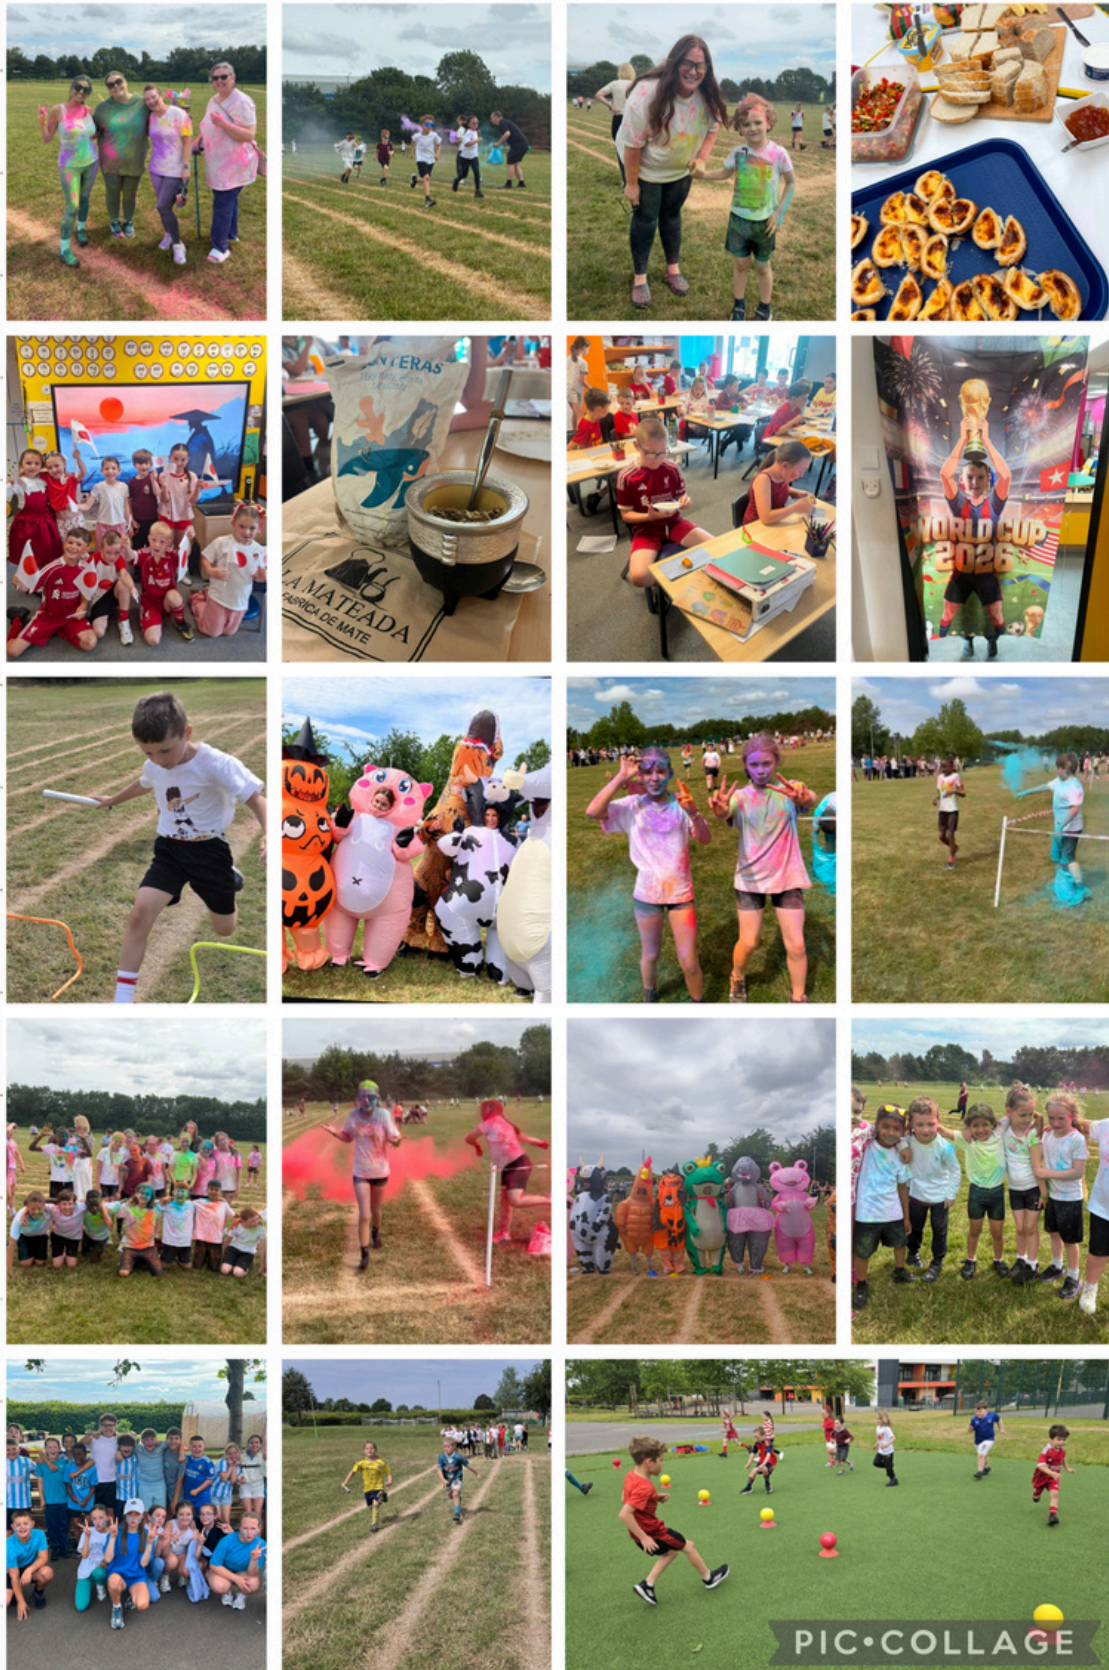

There is so much left to come before we finish.....

Many thanks
Miss Swinburn

Sports Day & Colour Run

Our Sports Day and Colour Run were a big hit, with children enjoying every moment—from running through clouds of colour to cheering each other on in the races and activities. Mr Myers organised a great mix of sporting activities that kept everyone busy and smiling. We also had a fantastic World Cup Day, where each class explored their chosen country. Teachers set up food tasting sessions and country-themed activities that the children really enjoyed. The day came to end with a Park Brow parade celebrating such a wonderful week.

Summer 2 Key Dates

Date	Event/theme day
Monday 8 th June – Thursday 11 th June	Year 4A swimming
Tuesday 9 th and Wednesday 10 th June	Year 4 Multiplication Check
Tuesday 9 th , Wednesday 10 th and Thursday 11 th June	Year 1 Phonics Screening Check
Wednesday 10 th June	Year 4 Into University workshops in school <i>Colour Run sponsorships can begin to come into school on this date</i>
